### Scholastic Book Club:

This school year, students will be given monthly book flyers to take home. These flyers display the most popular children's books. Each month your child will have the opportunity to make purchases of their favorite books with your help. Simply register for a Scholastic account with the class code: L2YJW. Once a parent account is created it will unlock many more book selections as well. All books will be mailed to school and distributed to your child upon arrival. Best part is that all book purchases earns our class points towards redeeming books for the classroom library!

### Spanish Class:

All students will have Spanish class with me as their teacher. I will try my best to keep all material taught in Spanish to relate as closely as possible to what is being taught in English. This way, students will always have a point of reference when additional support may be needed.

### Homework & Assessments:

Students will be responsible for writing their homework in their planners daily. All work will be related to what has already been taught in class and will be used as reinforcement. Assessments will be given at the end of each week in Reading. Students will be given a passage with comprehension questions related to the skill we have been practicing throughout the week. All grades will be posted on Pinnacle within a few days after work has been checked and graded.

### Dates

**Sept 5** No School

**Sept 7** Open House

**Sept 13** Interims Issued

**Sept 26** No School
